Sponsorship Opportunities Spring/Summer 2024

CREATING COMMUNITY THROUGH PEOPLE, PARKS AND PROGRAMS

About Sponsorships

Another exciting year of programs is beginning for our youth. We offer over 15 programs, in addition to camps and other miscellaneous activities, throughout the year to our community youth. We draw youth from all over surrounding communities with our variety of programming. Last year, we had over 2,200 participants in our programs!

What's In It For You?

We strive to partner with community businesses and individuals with the needs of our programs and special events. By sponsoring you'll have the opportunity to reach a large, engaged audience! The money provided by these sponsorships will be used to buy team t-shirts with the sponsor's logo as well as hats and pants (for the baseball teams) The sponsor's name is used in any press release. You will also receive team photos to remember your investment in our community youth. Camp Sponsorships cover the cost of materials and snacks and drinks. Your business name will be included in all marketing materials.

Sign Rentals are a great way to advertise to the plethora of people who attend our programs and events and rent our facilities!

About Sign Rentals

Sign Rentals are a great way to sponsor the efforts of the Rec Center, Jungle Junction and the Mil'Lympic Pool!

Most businesses rent their signs to hang out in our ball fields and pool during the spring/summer months (April - September) We then offer the option to relocate your signs indoors during our super busy fall/winter season (October - March)

The Mil'Lympic Pool is a unique rental! It is open to the public from June through August. Our memberships include the pool and we also attract many daily visitors. We also have many pool parties. This is a great opportunity for advertising your company. Should you choose this option, your business sign will be advertised from June through August at a discounted rate!

All of our other spaces (fields, Jungle Junction, Gymnasium and City Center)attract many visitors throughout the year. We offer many programs, host many rentals, and see a large amount of visitors to our Pool and Jungle Junction.
